

REMARKS

Claims 1 and 8 remain in the application.

New Claims 46-87 have been submitted.

5

Applicants hereby certify that the newly submitted claims are fully supported in the application, as originally filed, and contain no new matter.

The newly submitted claims are similar in scope to the claims of patents included in the chain of priority set forth on Page 1 of the application. The Terminal Disclaimer included herewith is intended to traverse any issue of obviousness-type double patenting with respect to any patents or application included in the chain of priority. All those patents and applications name the same inventors and are commonly assigned.
